RITUALS FROM AROUND THE WORLD**

SIAM SPA THAI MASSAGE (THAILAND)

Thai Massage consist of interactively using the hands to do passive stretching and create pressure along the body's energy lines, increasing flexibility, working on muscle chains and balancing the body energy system. Thai massage in our Siam Spa style is performed in the traditional way, wearing comfortable silk clothes and be treated by our professional Thai therapist, who will utilize deep stretches similar to Yoga and thumb-, elbow- and forearm-pressure to relieve tension and relax muscles. This massage will increase flexibility of your whole body, relieves blocked areas and gives a new sense of well-being.

The result is at the same time relaxing and stimulating!
