HAND-ROLLED CIGARS FROM LA PALMA

Using only the finest plants from all over the world and tobacco from his own personal harvest, our master craftsman *Elias Fernández* (Armas Tobaccos) has meticulously prepared this exquisite selection of cigars, 100% hand-rolled and certified produce from La Palma Island (Biosphere Reserve).

Choose from our favourite *wrappers*:

SUMATRA WRAPPER

An excellent wrapper from the island of Sumatra (Indonesia). One of the best regarding its burn, with a smooth and even combustion ring and a fine ash of light grey with dark streaks.

BLACK WRAPPER

A mature wrapper from the Havana seed, albeit grown in the Eastern Amazon, Peru. It burns perfectly, with a little strong draw owing to the high quality of the wrapper, with ash of an even white that is both aromatic and subtle. The favourite of the most experienced smokers.

CONNECTICUT WRAPPER

An elegant wrapper for an elegant cigar. A perfect, unblemished colour, elastic and fine-veined; truly the best wrapper for the finest cigars. Smooth but with delicate notes of bitterness.

Clasificación

medium

One of the most notable differences between the different types of cigars is to be found in the filler, the whole leaves inside the cigar hidden by the elegant grapper. An Armas Medium cigar is made of three filler leaves, as well as clippings from carefully selected leaves.

Sizes

Medio Nunzio: Balance is the word that best defines this cigar, as it is just the right length and thickness for a good long smoke.

BLACK WRAPPER | Single 7€

CONNECTICUT WRAPPER | Single 7€

Nunzio: Striking and consistent are the words that define this cigar. Its combustion and pull are perfect, with an unusually large quantity of smoke owing to its large diameter of almost 2cm, as well as intense notes of flavour and aroma to be found as each stage progresses.

CONNECTICUT WRAPPER | Single 8€

Robusto: It allows for as strong a pull as the one on a longer cigar, but without the intensity that such would give. A tasty cigar ideal for a smoke session of between 30 and 40 minutes.

SUMATRA WRAPPER | Single 7€

BLACK WRAPPER | Single 8€

premium

These cigars are the fruits of years of experience in the tobacconist tradition of the island of La Palma which make Palmero cigars famous worldwide. The focus of master craftsman *Elías Fernández* is on growing his own tobacco and saving a native seed that was once almost lost: it is through sustainable and environmentally-friendly methods that he produces this tobacco so unique in the world.
