

ART Exhibition

📍 Hotel Lobby

1 March - 30 April

MAR. | MÄR. | MARS. ABR. | APR. | AVRIL.

2025

@leo_s0sa

The work explores the fleeting and passionate nature of art and life, questioning identity, perfection, and inspiration.

Through an introspective monologue, the author reveals how art consumes and defines them, turning emotions into brushstrokes of idealised beauty.

Painting becomes an extension of their being, exposing them to judgment and misunderstanding. With poetic, sensual prose, they capture the intensity of creation, where each stroke is an act of love and discovery.
